## Window & Glass Cleaner

### Technical Bulletin

Non-Hazardous according to GHS Classification.

EarthSmart® Window & Glass Cleaner is a readily biodegradable, non-hazardous, streak-free cleaner that removes dirt and soils from windows, glass, computer monitors and whiteboards.

The EarthSmart® range offers high performance cleaning with the added comfort of knowing you are not harming the environment. Careful consideration has been given to all aspects of the product lifecycle to ensure that this product is environmentally preferable. 100% recyclable containers, packaging and marketing materials have been used and all products are proudly made in Australia reducing unnecessary carbon release from excessive transport and freight from overseas.

EarthSmart® Window & Glass Cleaner is available in 5L bottles and has a 500ml Refill Reuse bottle to help lower your ecological footprint.

#### Directions for use

Window & Glass Cleaner: Dilute 500ml/Litre for general use, fill EarthSmart® Window & Glass Cleaner into the 500mL Refill-Reuse bottle. Use neat for heavy soiling. For larger surface areas apply using a squeegee and a bucket..

*Refill... Reuse... Recycle...* By using the Refill-Reuse bottles you are minimising waste and the resources consumed for the product's entire lifecycle. All bottles in the EarthSmart® range can also be recycled. Think... EarthSmart®
