

APPLEBRIGHT

MANUAL DISHWASHING DETERGENT

**BENEFITS:**

- Concentrated formula
- Pleasant apple perfume
- pH neutral & solvent free
- Leaves dishes squeaky clean

APPLEBRIGHT is a pH neutral manual dishwashing detergent. APPLEBRIGHT is excellent for use in hard and soft water. It combines the rapid cleaning of all common food soils with stable suds and tremendous fat emulsification properties. APPLEBRIGHT is a concentrated formula which leaves dishes ultra shiny.

APPLEBRIGHT quickly cuts through grease, fat, eggs, gravies and other food residues. It works well in hot or cold water. Each wash cleans more dishes, holds suds for longer, works efficiently and rinses better. APPLEBRIGHT is very economical - very little is needed to do an efficient cleaning operation.

DIRECTIONS FOR USE:

By using one of Whiteley Corporation's 30mL dispensing pumps which conveniently fits onto the 5 litre bottle, APPLEBRIGHT can be accurately dispensed into the wash.

Light Washing: use 15mL (1/2 pump) of APPLEBRIGHT per 10 litres of water.

Normal Washing: use 30mL (1 pump) of APPLEBRIGHT per 10 litres of water.

Heavy Washing: use 60mL (2 pumps) of APPLEBRIGHT per 10 litres of water.

SAFETY DATA:

For further information refer to the Material Safety Data Sheet (MSDS) located on the Whiteley Industrial website: www.whiteley.com.au

HEALTH AND SAFETY STATEMENT:

There is no way of predicting an individual's response to cleaning or disinfecting products. All cleaning and disinfecting products have potential to cause skin and other irritation in susceptible individuals. Direct physical contact with the skin should be avoided. If irritation does occur when using this product or any other cleaning/disinfecting solution then the individual should be removed from direct contact with the solution until a satisfactory safe working environment for that individual is determined.

ENVIRONMENTAL STATEMENT:

Whiteley Industrial manufactures products that comply with Australian and International environmental policies. Whiteley Industrial aims to ensure that every product is 100% biodegradable, whilst achieving optimal performance and benefit to customers. All Whiteley Industrial products are supplied in 100% recyclable containers.

Whiteley Industrial and its staff are fully committed to ensuring that our Australian environment and those international environs in which our products are used are enhanced by the use of technology, and that these environments are preserved for the enjoyment of future generations.
