

FABRIPOWR PLUS

CARPET EXTRACTION DETERGENT

BENEFITS:

- Deep cleaning of carpet fibres.
- Rapid penetration and emulsification of soils.
- Suitable for use on most carpet fibres.
- Suitable for use on most stain resistant carpets.
- Built-in odour neutraliser.
- Excellent detergency on natural & synthetic fibres.

FABRIPOWR PLUS offers superior cleaning performance without the use of alkaline boosters or carpet care cleaners/enzymatic detergents. FABRIPOWR PLUS effectively substitutes up to 4 different chemicals and may be used as a carpet extraction detergent, carpet prespotter, odour suppressor and deodouriser. FABRIPOWR PLUS offers carpet cleaners so much with the one carpet cleaning product.

FABRIPOWR PLUS is suitable for use in both truck mount and portable carpet cleaning machines. FABRIPOWR PLUS provides economical dilution ratios due to its concentrated heavy duty formula.

DIRECTIONS FOR USE

PRODUCT USE	DILUTION RATE	APPLICATION
Prespray	Normal soils: 25mL/L of water Heavy soils: 50mL/L of water	Spray evenly over carpet with atomising spray. Allow to react for 10 to 15 minutes before extracting
Prespotter	Normal soils: 200mL/L of water	Apply to stain. Gently agitate working from the edge of the stain towards the centre. Soak with dry cloth or extract.

DISPOSAL

Dispose of recovered waste only through an approved filter system.

SAFETY DATA

For further information refer to the Material Safety Data Sheet (MSDS) located on the Whiteley Industrial web site: www.whiteley.com.au

HEALTH AND SAFETY STATEMENT

There is no way of predicting an individual's response to cleaning or disinfecting products. All cleaning and disinfecting products have potential to cause skin and other irritation in susceptible individuals. Direct physical contact with the skin should be avoided. If irritation does occur when using this product or any other cleaning/disinfecting solution then the individual should be removed from direct contact with the solution until a satisfactory safe working environment for that individual is determined.

ENVIRONMENTAL STATEMENT

Whiteley Industrial manufactures products that comply with Australian and International environmental policies. Whiteley Industrial aims to ensure that every product is 100% biodegradable, whilst achieving optimal performance and benefit to customers. All Whiteley Industrial products are supplied in 100% recyclable containers.

Whiteley Industrial and its staff are fully committed to ensuring that our Australian environment and those international environs in which our products are used are enhanced by the use of technology, and that these environments are preserved for the enjoyment of future generations.
