

# SPEEDY CLEAN

HOSPITAL GRADE ANIONIC NEUTRAL DETERGENT  
AUSTRALIAN MEDICAL DEVICE CLASS 1  
ARTG No. 125529

SPEEDY CLEAN is an excellent ready-to-use, hospital grade, anionic neutral detergent which leaves a streak free finish. SPEEDY CLEAN uses Whiteley Medical's Emulsion Systems Technology, which enhances SPEEDY CLEAN's ability to remove oils and dirt that are encountered in everyday cleaning.

SPEEDY CLEAN is ideal for cleaning surfaces and equipment in the hospital environment. The single-use container improves infection control by avoiding the possible contamination when diluting by traditional dispensers. SPEEDY CLEAN is quality assured as Whiteley Medical is an accredited company under ISO 9001:2008. SPEEDY CLEAN is non toxic and safe for use on most surfaces.

SPEEDY CLEAN is a Class 1 Medical Device and can be used to clean other Medical Device surfaces (such as Theatre trolleys etc).

SPEEDY CLEAN is:

- a pale blue liquid with a slight powder fragrance.
- ready to use and is conveniently packaged in a 500mL squeeze bottle.
- safe to use on most surfaces.
- non-toxic.
- designed to not cause staining on fabrics or carpets.
- pH neutral.
- friendly to metals (non corrosive).
- a Class 1 Medical Device.

SPEEDY CLEAN has been formulated to replace most cleaning products and is totally compatible with Viraclean, hypochlorites and other hospital grade disinfectants. Do not mix with chemicals.

## **INFECTION CONTROL:**

Healthcare providers must be confident that detergents and wipes used for cleaning are free of bacterial contamination and are labelled correctly with all relevant safety information.

SPEEDY CLEAN aids in the Infection Control process because of its' single use package. Coupled with Viraclean this makes for simplification of the cleaning and disinfection process.

Speedy Clean - July2011 1
