

SURFACE CLEAN

SPRAY AND WIPE

BENEFITS:

- Removes permanent markers
- Cuts through grease and soil
- Does not contain any Butyl Solvents
- Contains a pleasant perfume

SURFACE CLEAN is a multipurpose spray and wipe formulation specifically designed to remove difficult stains without the use of butyl solvents. SURFACE CLEAN exceeds the performance of competitive butyl cleaners without the use of hazardous chemicals. The high foaming detergent system used in SURFACE CLEAN assists in penetrating, removing and suspending difficult soils and stains. SURFACE CLEAN may be used in kitchens, offices, healthcare, institutions, schools, commercial buildings, industrial and many other areas.

SURFACE CLEAN is safe to use on most surfaces including, bench and counter tops, sinks and basins, stove tops, glass, porcelain, formica and stainless steel. SURFACE CLEAN is effective at removing permanent markers from desk tops in schools and other areas. SURFACE CLEAN also performs superbly as a concrete cleaner. The high foaming detergent system penetrates the porous concrete surface to lift and suspend in-ground, difficult to remove soils. Please note: SURFACE CLEAN is not suitable for use on painted surfaces.

DIRECTIONS FOR USE

PRODUCT USE

DILUTION RATIO

APPLICATION

Spray & Wipe

Permanent ink & heavy soils Use undiluted Spray Bottle

Normal soils 200mL/Litre of water Spray Bottle

Concrete Cleaning

Heavy Soils 50mL/Litre of water Apply to floor and scrub with a brush

Normal Soils 25mL/Litre of water Apply to floor and scrub with a brush

Surface Clean - February 2009, 1

SAFETY DATA

For further information refer to the Material Safety Data Sheet (MSDS) located on the Whiteley Industrial web site: www.whiteley.com.au

HEALTH AND SAFETY STATEMENT

There is no way of predicting an individual's response to cleaning or disinfecting products. All cleaning and disinfecting products have potential to cause skin and other irritation in susceptible individuals. Direct physical contact with the skin should be avoided. If irritation does occur when using this product or any other cleaning/disinfecting solution then the individual should be removed from direct contact with the solution until a satisfactory safe working environment for that individual is determined.

ENVIRONMENTAL STATEMENT

Whiteley Industrial manufactures products that comply with Australian and International environmental policy. Whiteley Industrial aims to ensure that every product is 100% biodegradable, whilst achieving optimal performance and benefit to customers. All Whiteley Industrial products are supplied in 100% recyclable containers.

Whiteley Industrial and its staff are fully committed to ensuring that our Australian environment and those international environs in which our products are used are enhanced by the use of technology, and that these environments are preserved for the enjoyment of future generations.
